

## LASSI MYSTERY DOUBLES RULES

1. The Mystery Doubles event is open to all participants in the LASSI Tournament.
2. The Mystery Doubles prize fund is based solely on the number of participants.
3. Participants will use their LASSI Tournament average.
4. The Mystery Doubles event will be held in conjunction with the singles event, therefore the scores for the three games bowled during the singles event will also be used for Mystery Doubles.
5. If there is an odd number of participants in the event, the lowest handicap score will be dropped.
6. T-Brac (or other similar program) will be used to shuffle the names and doubles partners assignments after all scores have been entered. Participants shall be randomly matched with any other person participating in the Mystery Doubles event regardless of sex or average.
7. The scores of the randomly matched participants will be added together to get the top doubles scores.
8. Payouts will be 1 in 8 entries.
9. Results will be announced at the Banquet.
